grandMA3 USER TRAINING

PRESENTED BY JAQUES PRETORIUS

14 - 16 OCTOBER | DURBAN | REGISTER NOW!

You are invited to attend a 3-day grandMA3 User Training Workshop, presented by Jaques Pretorius, on 14 – 16 October 2026, at 9am to 5pm, **DWR Distribution Durban, Unit 7, Greystone Park, 135 Old North Coast Road, Glen Anil.**

This 3-day programme is designed to familiarise participants with the essential functions of the grandMA3 software and lighting consoles, as well as the underlying operating philosophy.

The course content consists of the following:

Basics

- Software Philosophy
- Hardware and Connections
- Setup
- Patch
- Views
- Integrated 3D visualization

Simple Programming

- Groups
- Selecting and operating fixtures
- Programmer concept

Presets and Sequences

- Preset concept
- Sequences and tracking
- Saving and editing moods
- Recipe concept

Phaser

- Basics Phaser
- Creating and editing Phasers

Further Functions and Settings

- Programming tools
- Network fundamentals

Delegates are requested to bring a laptop to the training course. Delegates are also welcome to bring their own consoles along to the training.

Please download the MA3 on-PC software available for MAC or Windows for the session:

<https://www.malighting.com/downloads/products/grandma3>

<https://www.malighting.com/downloads>

The cost per delegate is R750 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds are not available for cancellations, participants may transfer their registration to another individual.*

The training will be hosted at DWR Distribution Durban, Unit 7, Greystone Park, 135 Old North Coast Road, Glen Anil.
