

grandMA3 User Training, Durban

Posted on May 6, 2024

A two day grandMA3 User Training session, jointly presented by DWR's Jaques Pretorius and Michael Taylor-Broderick, will be held on 15 - 16 May from 9 am to 4 pm at the Royal Natal Yacht Club, Yacht Mole Durban, Harbour, Durban. The aim of this course is to familiarize the operator with the basic functions of the grandMA3 software and lighting consoles, as well as the operating philosophy.

The content consists of the following:

Basics

- Software Philosophy
- Hardware and Connections
- Setup
- Patch
- Views
- Integrated 3D visualization

Simple Programming

- Groups
- Selecting and operating fixtures
- Programmer concept

Presets and Sequences

- Preset concept
- Sequences and tracking
- Saving and editing moods
- Recipe concept

Phaser

- Basics Phaser
- Creating and editing Phasers

Further Functions and Settings

- Programming tools
- Network fundamentals

Delegates are requested to bring a laptop to the training course. Delegates are also welcome to bring their own consoles along to the training. Please download the MA3 on-PC software available for MAC or Windows for the session:
