

Hippotizer MX Series wins Best of Show Award at ISE 2025

Posted on February 10, 2025

Barcelona, Spain - We are pleased to announce that the Hippotizer MX Series has won in this year's Best of Show Awards at ISE 2025 in the Installation category.

The awards recognise the very best products and solutions on display at ISE 2025, with hundreds of products and solutions considered. All entries were reviewed by a panel of industry experts and editors. Factors taken into account include how diverse and comprehensive our product's features are; how easy it is to use and and how innovative and unique it is within the market.

The awards' editorial team have said that: "We all experienced how busy ISE was this year; to stand out and be recognized as an official Best of Show winner is truly impressive and a testament to all of the hard-work companies put into their products and solutions. Every winner should be really proud of their accomplishments - a well-deserved congratulations from the entire awards team."

We're thrilled to have won this award, if you'd like to see our winning product, visit [here](#). You can read more about our success on the Installation website, in the regular newsletter and other promotional channels from the publication in the coming weeks.
