

Hippotizer Nevis+ promotional offer

100% of the feature set, a fraction of the price

Take advantage of these Hippotizer Nevis+ promotional offers before they end on August 9th!

As restrictions lift, audiences are finally coming back to see their favourite shows live. Now, more than ever, immersive visuals are key to differentiate a live experience from a live stream to the living room or phone.

The challenge that designers and producers face is creating and delivering all of this on a tight schedule and budget, so start here with Hippotizer Nevis+, and use all the real-time playback, mapping and 3D tools all from a 1/2RU case and a fraction of the price.

Whether you're a long term user, or just getting into Live Entertainment and Production, get ahead with [Hippotizer Nevis+](#).
