

## **International guests expected at Mediatech**

Posted on July 10, 2015

Mediatech 2015 is here and DWR Distribution looks forward to seeing you at our stand - J47 from 15 to 17 July from 10am to 6pm. The show has grown from strength to strength and it has been a pleasure to see the interest and dedication shown from international suppliers and media. Well done to Simon Robinson, Claire Badenhorst and your fantastic team.

For those who cannot always attend exhibitions overseas, it now means you can meet the faces of the brands right here on home soil. It makes the world that much smaller.

Besides the DWR Distribution stand, we are delighted that Robe Lighting and Clay Paky will have their own stands too, manned by their team. It's going to be fun!

## International guests expected at Mediatech

Thank you to Clay Paky for sponsoring the internationally acclaimed lighting designers, Paule Constable and Durham Marengi. They will be guest speakers at Mediatech – don't miss out on hearing their presentations. Tim Dunn from Gearhouse will also present a talk which should fuel the creative minds. Michael Broderick has an interesting performance using a Robe BML and a dancer. Visit the DWR stand for more info.

Our international visitors are listed below. Thank you for coming all this way, it means a great deal to us.

Very importantly, we look forward to seeing our friends at the show. It is because of you that all this is possible. Thank you!
