

## International Rigging Training Returns to South Africa

# International Rigging Training

Presented by Ruud de Deugd

Join international specialist, Ruud de Deugd, for comprehensive rigging training focused on safety protocols, equipment maintenance, lifting materials, force calculations and load tables. **Participants are required to have a strong competency in Mathematics.**

27 JAN - 1 FEB 2025 | 9AM-4PM DWR DISTRIBUTION, JHB

COST: R10 500 | BOOKINGS ON LINE

DWR Distribution is excited to share that the popular International Rigging Training is back, led by Ruud de Deugd! Known for his rigging expertise and as the founder of T & E Support, Ruud can't wait to return to South Africa for this sought-after course. Mark your calendars for January 27 to February 1, 2025, from 9 AM to 4 PM, at DWR Distribution in Johannesburg!

This six-day training program will cover essential topics such as safety protocols, maintenance practices, lifting materials, force calculations, and load tables. Participants are required to have a strong competency in Mathematics.

With two decades of experience in the field, Ruud has consistently maintained high standards of safety within the event and theatre production sectors. A qualified mechanical engineer, he previously worked with Prolyte before founding T & E Support in 2009. His company specialises in delivering comprehensive safety solutions for large-scale events, offering services that include structural calculations, inspections, rigging advice, and temporary demountable construction guidance. Ruud is also recognized for his global rigging training initiatives. Today, T & E Support stands as a leader in the industry and is a member of the European Committee for Standardization (CEN/TC 152 WG3), actively participating in the establishment of industry standards for event structures within the European Union.

This training presents an invaluable opportunity for professionals working at heights in the live events industry. The cost is R10 500.00 per person, which includes lunch.

Delegates are required to bring the following items:

- 1 x red pen
- 1 x blue pen
- 1 x scientific calculator
- 

Please note that seating is limited. While refunds cannot be provided for cancellations, participants may transfer their registration to another individual.
