It’s a brand-new chapter for DWR Distribution as we launch Panasonic—and you’re invited to be part of the excitement on 13 May 2026 at our offices in Johannesburg. Discover the latest innovations in Projection Display and Broadcast solutions – including advanced Studio and PTZ cameras – with Panasonic’s Tony Molloy and Kashif Mirza.

Kick off the day with engaging, bite-sized training sessions led by industry experts. Tony Molloy, Division Head of the Projector and Display Division at Panasonic Middle East, will take you through the latest in Projection and Displays. Then, Kashif Mirza, Business Development Manager and Senior Systems Engineer for Panasonic Broadcast, will dive into Broadcast and PTZ Cameras.

After the morning sessions, the day shifts gears. Spend the afternoon unwinding, connecting, and getting hands-on with an impressive lineup of Panasonic gear, specially shipped in just for the occasion. From a 4K Live Switcher and Remote Camera Control systems to 4K Studio Cameras, Multi-Purpose Cameras, 4K Integrated Cameras, Tripod Adapter Plates, and a wide range of projector displays. There’s so much to explore.

Training Schedule:

10:00 – 11:00 | Projection and Displays
11:00 – 12:00 | Broadcast and PTZ Cameras

12:30 – 17: 00| Enjoy a relaxed social afternoon with live demos, interactive experiences, a few fun activities—and maybe even a giveaway or two!

The launch will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
