

## Josef from Robe at Mediatech Africa

Posted on July 8, 2019

DWR is continually amazed by Josef Valchar, CEO at Robe Lighting. It's refreshing to see someone who has risen to fame, always have time to listen to what people have to say. He treats each person that crosses his path with an equal amount of respect.

# ROBE

**What is the most spontaneous thing you have ever done?**

I can't remember that...too many things have happened spontaneously in my life ☐

**What makes you laugh no matter what?**

Anything that makes me laugh!

**Your favourite food?**

Wallachian cabbage soup
