

KLOTZ AIS at MEDIATECH AFRICA EXPO

Posted on June 18, 2026

Africa's Largest AV Integration, Broadcast,
Film & Event Technology Expo

Mediatech Africa
Welcomes

30 June
to 02 July

Kyalami Grand
Prix Circuit

Johannesburg
South Africa

KLOTZ AIS will be taking part in this year's revived MEDIATECH AFRICA EXPO in South Africa.

KLOTZ AIS at MEDIATECH AFRICA EXPO

Distribution partner DWR Distribution Pty. Ltd. is planning a 'DWR Village' at this year's MEDIATECH, in collaboration with all its brands, which will take place from 30 June to 2 July 2026 at the Kyalami Grand Prix Circuit & Convention Centre.

Just outside Johannesburg, MEDIATECH AFRICA is Africa's largest showcase for AV Integration, Unified Communication, Broadcast & Streaming, Film, Studio & Production, Pro Audio, Lighting, Staging and Display Solutions.

KLOTZ AIS will be exhibiting a comprehensive range of its product portfolio in the DWR Village, from CAT network cabling and cable solutions to fibre optic cable systems and connection technology, cables and cable systems for professional audio and video applications, line array loudspeaker cabling systems and much more.

KLOTZ AIS' Director of International Sales, Frederic Kromberg, will be present alongside the entire DWR team.

We look forward to a successful relaunch of the MEDIATECH AFRICA EXPO and to a large turnout from all countries and markets across Southern Africa.
