"The best sound comes from one source"

Once you hear the L-Acoustics professional sound system, it's difficult to want anything else. DWR Distribution invites you to attend the A Series demonstration to be held in Johannesburg on 28 June, Cape Town on 3 July and Durban on 10 July, any time between 10 am to 4 pm.

L-Acoustics A Series Open Day in JHB, CT and DBN

The A10 and A15 systems and companion KS21 sub deliver renowned L-Acoustics concert performances and reliability for audiences from 50 to 5 000 people. Whether the system is flown in vertical or horizontal arrays, mounted on a pole, or stacked on the KS21 sub, the system offers plug-and-play ease of use.

The DWR Distribution team would love you to join us and to hear the difference yourself.

Kindly RSVP to assist us with catering.
