

L-Acoustics System Implementation, JHB - New Date Announcement

Posted on March 13, 2024

Join Richard Smith for a brand new course offered in South Africa, the L-Acoustics System Implementation training to be held on 19 April from 9 am to 5 pm at DWR Distribution in Johannesburg. To enroll in this course, delegates must hold certification in the System & Workflow course.

Advance your skills by learning how to implement a safe and functional L-Acoustics system and prepare it for calibration. Richard will show you how to Collect and interpret the design documents and all needed resources for implementation. The course will also assist you to understand your implementation responsibilities.

Understand how to:

- Safely mount and rig the system, following L-Acoustics procedures
- Cable & connect the loudspeaker system
- Configure the drive system and check the loudspeaker system to be ready for calibration

Number of participants:

- Maximum: 12
- Minimum attendance: 6

Required equipment

L-Acoustics System Implementation, JHB – New Date Announcement

- Computer with a mouse and the latest version of *Soundvision* and *LA Network Manager* software: [L-Acoustics website](#) Notepad and pen

The course will be hosted at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

The cost is R250 per person and includes a light lunch and refreshments. *Please note that refunds are not available for courses. If your course registration is cancelled, at least 72 hours in advance, you'll receive a credit for the paid fees, usable for re-registration or rescheduling within one year from the initial course cancellation date. Not showing up without notice does not qualify for the rescheduling credit.*
