

## Laura joins DWR

08 November 2011

Image not found or type unknown

It is our pleasure to welcome Laura Koen to DWR Distribution.

Laura worked at Prosound for eight and a half years and prior to that, assisted her husband with his armed response business. Laura is experienced in sales, dealing with clients, debtors, petty cash and the general day to day running of a business. "I'm still finding my feet here," she said. "It's quieter than I'm used to but I'm liking the people and everyone has made me feel welcome."

Laura is also the mother of two sons, and when she does have a moment to herself, enjoys reading and building puzzles. Thank you for your lovely smile Laura and your really great attitude. We are delighted to have you.
