

grandMA3 Basic Training

Posted on February 14, 2020

DWR Distribution is proud to present our first official MA3 Basic Training Course to be hosted from the 25 to 26 February in Johannesburg.

Presented by DWR's Jannie de Jager, the two-day workshop will focus on familiarizing the operator with the basic functions of the grandMA3 software and lighting consoles, as well as the operating philosophy. The content will include Patching, Presets, Phasers and Timecode. The course will also touch on networking aspects of the MA3 family.

Delegates are requested to bring a MA3 console or MA3onPC Software on a laptop with an additional screen and a valid ID.

The course will be held at DWR Distribution, C1 Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

The cost is R1,200 and includes a light lunch and refreshments. Bookings will be confirmed once payment has been received. Regrettably no refunds, though you are welcome to send someone else in your place.

Bookings on-line: <https://dwrdistribution.co.za/register/ma3-basic-training-february-2020/>
