Madrix 5.5 – Massive New Update

MADRIX 5.5 is one of the company's biggest releases ever, and it shows!

It has big features. It has small ones. Features you have been eagerly awaiting for a long time. New features that might surprise you! Features you will surely love as much as we do.

The exciting world of pixel mapping is yours to take!

MADRIX 5.5 is a free update for MADRIX 5.
