from 9 am to 12 pm at our Johannesburg office.

Aimed at AV technicians, this course is awesome for understanding the EC90, a video switcher that includes 4K input and output, multi-layer management, and seamless switching control.

The training session will cover the following, and more, subjects:

- Basic Functions of the EC90 for video and audio
- Multi-layers and switching
- Layer Effects include layer scenes and customising borders.
- Multiple Preview layouts
- SDI input
- Virtual output
- Control Methods
- Setting Parameters
- Master Screen Navigation

The cost is R250 per person and includes a light lunch and refreshments. *Please note that refunds are not available for training courses. If you need to cancel your registration, you must do so at least **72 hours in advance** to receive a credit for the paid fees. This credit can be applied toward re-registration or rescheduling within one year from the original cancellation date. Failure to show up without prior notice will not qualify for a rescheduling credit.*

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
