

Maria Fiorellino, DiGiCo's Marketing Manager, to visit Mediatech

"Who are the three greatest living musicians", DWR asked Maria Fiorellino, DiGiCo's Marketing Manager. She will be visiting South Africa to attend Mediatech.

"Wow – really tough to narrow it down to three, but here goes," Maria answered.

"Stevie wonder needs no explanation at all, does it!?!"

Ray LaMontagne, a US singer-songwriter with just the most amazing voice.

Chas n Dave ... now I know this isn't 'A' musician, but the two are inseparable! They are a London pub band that are also BIG Tottenham Hotspur fans and write songs for my beloved football club.... Chas is also a brilliant pianist..... *Gertcha*"

We can't wait to meet you Maria!
