Quest Engineering will exhibit at this year’s Mediatech Africa in Johannesburg hosted at the Ticketpro Dome from the 17th to the 19th July 2019. Audio professionals at the trade show can look forward to meeting with Frank Andrewartha, the product manager of Quest Engineering, and Jaco Beukes from DWR Distribution, the South African Distributor of Quest, to learn and view about some of the audio solutions that Quest provides.

The stand located at D30 will be host to a variety of products from the Quest Engineering range including the QM450A 2-way stage monitor, QM600ASi active 15-inch sub-bass, HPI8i and HPI110 high intelligibility 2-way passive speakers and the HPI111 mid powered voice and music projection system along with a select collection of IP67 products from Quest’s installed speaker range.
