

Mediatech memories

Posted on July 26, 2011

26 July 2011

Wow! What a time we had at Mediatech – thank you Simon and your helpful team. To our overseas guests, it was super to have you here with us and to the staff at DWR Distribution, you excelled. Thank you to all of you for building, carrying, entertaining and making this a successful but fun time.

An official press release will follow shortly, but for the time being, perhaps you'll recognize some of these faces.

Preparation for Mediatech

At the Mediatech Stand
