

Meet the latest from Clay Paky on the SA roadshow

The Clay Paky South African Roadshow will come to you between the 13th and 24th October 2014. Meet up with the Supersharpy, Mythos and Stormy.

Keeping in mind that October is one of the busiest times of the year for rental companies, Clay Paky's Massimo Bolandrina and Giovanni Zucchinali, along with DWR Distribution, will embark on a road trip. Whether you are at the office or working on a show, we will bring the latest Clay Paky fixtures to you directly after their official launch at PLASA.

We plan to visit Johannesburg, Cape Town and Durban.
