

MJ light up Slots Factor Media Launch

Posted on August 28, 2014

Carol Thorns and her special bubble, a clear glass-like luminescent sphere attached to a glowing stage base, created a magical contribution to the Slots Factor Media Launch, hosted at 3 Sixty° Liquid Lounge at Montecasino. MJ Event Gear used Robe Robin fixtures to enhance the lighting already in the venue.

The Slots Factor is Tsogo Sun's annual national championship takes place across all 14 of its casinos with R1.8 Million in prize money up for grabs.

Theo Roodt from MJ Event Gear and his team added 6 x Robin 100 LED Beams, 8 x Robin 600 LED Wash fixtures and 2 x Robin 200 E Spots to compliment the ambience. Prolyte H40V Goal posts were used as pedestal on which some of the fixtures were placed.

Lighting was controlled and operated by Olebogeng Boinamo on an Avolites Tiger Touch 2.
