

More Prolyte for MGG

16 May 2012

Robert Izzett (DWR), Siyabonga Shabalala and Mark Gaylard (MGG) and Paul-Erik Haseloop (Prolyte)

DWR Distribution's first shipment as the official Prolyte distributor in South Africa was delivered to MGG Productions on the 11th May 2012. It so happened that Prolyte's Paul-Erik Haseloop was visiting South Africa at the same time and could personally deliver, along with Robert Izzett, three H30V- 3 meter circle trusses.

Mark Gaylard from MGG was clearly pleased at receiving his purchase a week before it was due to arrive.

The new circles, along with the supply of Robe moving lights and accessories will be used for a rental at the Joburg Theatre, where the spectacular Grand Cirque Adrenaline show will run from May 23 to June 17.
