

Music Stand Lights by Littlite

Posted on June 6, 2023

Littlite offers two series of lights for music stand illumination.

MS SERIES-MUSIC STAND LIGHT (LED & HALOGEN)

Littlite MS SERIES Music Stand lights. Works on any standard music stand with a flat edge such as the standard Manhasset stand. Friction mount on the side or top of the stand. Puts the light where you want and the control where you want.

Halogen models include a built in dimmer control. **LED** models switch between a red or white light output.

A serious light for a serious musician. . .seriously!
