

## New address for DWR Durban

Nick Barnes at DWR, Durban

The Durban office of DWR Distribution has relocated to Springfield Park.

Besides the welcome parking bays for clients – it really was a tight fit at the previous address – Nick Barnes from DWR Durban is pleased to have the additional office space and a facility for future training.

“The reason for the move has been the growth of the company in Durban,” said Nick. “We also wanted a place where we could train and do business, from the same premises. The location is central and close to the highway.”

DWR Distribution Durban can be found at Suite 2, 6 Cassiafield Grove, Springfield Park, Durban.
