DWR Distribution has relocated to Laserpark, Honeydew. The larger premises enable all departments from stores to demonstration and training facilities, to operate under one roof.

“A big thank you to MJ Event Gear, Dream Sets and Pan Tilt for allowing us the use of their trucks to help with the move,” commented Duncan Riley from DWR. “Thank you also to my team who have kept a great attitude and have been amazing during this hectic time.”

A few delays from building suppliers initially held up the process and in between the day to day activities, the DWR team are working on the demo area and training room. We’re almost there! That said, DWR’s sales team, Robert Izzett and Nicolet Britz, have purchased a little coffee machine so all visitors are most welcome to stop by if you’re in the area.

DWR’s new address is Block C, Unit 1 Kimbult Industrial Park, 9 Zeiss Road, Lasperpark, Honeydew. Office Telephone number: +27 11 794 5023.
