

## Nick to wing it

03 April 2012

Lighting control souring on MA's new wing

Nick is going solo on his "Wing It" roadshow from the 10th to the 19th April 2012. He will visit rental companies and theatres in Johannesburg, Durban and Cape Town, demonstrating the new MA on PC Wing.

"The MA on PC Wing is like having the power of a big MA in a briefcase," said Nick Britz from DWR Distribution. Need we say more?

Well, perhaps more about the tour. **Johannesburg**: 10 – 16 April 2012

Durban: 17 & 18 April 2012 (Nick Barnes and Nick Britz on this leg of the journey)

**Cape Town**: 19 and 20 April 2012

If you would like Nick to visit your office or venue to see the new MA on PC Wing, please e-mail him at technical@dwrdistribution.co.za or call him at 072-931-4402.
