

Oh happy day!

A black tie ceremony and not a drop of rain was the order of the day for a very special occasion, the wedding celebration of Kurt du Preez

and Cherine Viney.

Lighting Designer Kurt met DWR Distribution's beautiful Cherine two years ago and they have been inseparable since.

Friends and family gathered together at Tres Jolie in Ruimsig on Saturday, 30th January to see the star struck couple exchange vows and then to enjoy a night to remember. There were even those who don't often make it to weddings, birthdays or suppers - JR we are talking about you of course - who attended, and of course the generous friends, like Mike Jones from MJ Event Gear, who assisted with gear for the party afterwards.

This is a new chapter for Kurt and Cherine but we know what's written on the very last page of their love story... "and they lived happily ever

after”.
