

The ultimate zero latency, scalable, 4K60 solution. Pathfinder provides a zero latency, 4K KVM extension and switching solution. Extend 4K and HD sources via CAT or Fiber cable to create flexible, wide reaching KVM over IP matrixing solutions. Highly scalable, with up to 3,000+ high-quality endpoints in a single system, it's the perfect solution for mission critical control and collaboration. Pathfinder offers plug and play set up with no configuration of endpoints required, nor any costly user licensing fees.
