

Paul Hadfield Presenting a Stage Dex Talk at Mediatech 2019

Posted on July 12, 2019

Paul Hadfield, the Prolyte Group Distributor Manager, will be giving a presentation at Mediatech 2019 on the 'Do's and Don'ts of Stage Dex'. The talk will examine the risk factors regularly encountered when supporting LED screen systems either via suspension or ground support and how you, the user, can overcome these risks and concerns by using the correct equipment in a proper professional safe manner.

Join Paul for his presentation during the following sessions:
