It brings DWR Distribution pleasure to invite you to attend The Prolyte Basic Rigging Campus presented by Rigging Commando, Eric Laanstra, and our very own, Robert Izzett. The course will be held in Johannesburg on 9 and 10 October and in Cape Town on 12 and 13 October from 9 am to 4 pm.

Prolyte Basic Rigging Campus in JHB and Cape Town

Based on his broad technical experience and practical skills acquired while working on the rental side of the entertainment business, Eric Laanstra joined Prolyte (which now forms part of the Area Four Industries team) in 2000 to support the Customer Service department and knows all the tricks and details on nearly every product Prolyte supplies! Later promoted to Product Manager at Prolyte Structures, his responsibility focuses on Prolyte's extensive trussing and staging range. He values close contact with end-users and enjoys sharing knowledge and a few jokes! Eric's course will cover Truss Basics, Truss Inspections and Truss on Chain Hoists. The course aims to simplify how to safely use Prolyte products.

DWR's Robert Izzett is passionate about safety and hopes to educate delegates in regard to the rigging laws applied in South Africa, according to SANS 10366. Robert will provide practical insight from calculations to the correct use of rigging hardware, shackles, steel wire ropes, trussing, endless rounds and chains.

For a taste of what to expect, please visit the Area Four Industries website, where there is a wide range of educational blogs and videos. Visit: <https://www.a4i.tv>

The cost is R500 per person and includes lunch and refreshments.

For more info, visit www.staging.dwrdistribution.co.za.

The courses will be held at the DWR offices:

Johannesburg: DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

Cape Town: DWR Distribution, Unit 37B Platinum Junction, 4 School Street, Marconi Beam.
