

Prolyte Rigging Training course

PROLYTE GROUP

DWR Distribution is pleased to announce that the Prolyte Rigging Training course, in conjunction with and Rhino Rigs, will be held in Cape Town and Johannesburg. This course will cover important topics like safety and equipment, maintenance, lifting materials, force calculations, load tables and much more.

The internationally recognized five day course will be presented by Rinus Bakker. On the sixth day, delegates will enjoy a practical hands-on session.

Interested delegates must be competent in Mathematics. Delegates who pass the course will receive certification for 48 SACIA CPD points.

DWR Distribution takes pleasure in announcing the Prolyte Rigging Training Course which will be held in both Cape Town and Johannesburg in February 2017.

This internationally recognised five-day training programme will once again be presented by Rinus Bakker and will cover important subjects like safety, machinery and equipment, maintenance, lifting materials, force calculations, load tables and much more. On the sixth day, delegates will enjoy a practical hands-on session.

Interested delegates must be competent in Mathematics. Delegates who pass the course will receive certification and 48 SACIA CPD points.
