

Prolyte's John will be in SA soon!

Posted on July 3, 2019

You'll definitely laugh when you read John Postma's feedback! John, a sales and support representative at Prolyte, is no stranger to South Africa and will be back for Mediatech. He had some pretty cool stories to share!

What's the most spontaneous thing you've ever done?

Ha ha I don't have to think long about this answer! When I was 16 years old I was on holiday and we wanted to grab a beer in the local club, but that night was "for women only". So, we decided to get dressed up like a woman and caught a beer. And yes, we had a wonderful evening ☺

What are your movie theatre popcorn habits?

Tortilla chips with melted cheese and a cold drink, and for my kids slush puppies with a bag full of candy.

If you could be great at one sport, which would you choose?

Cycling for sure; in the winter on the Cycle crosser/mountain bike and in the summer, on the road like our Dutch legend Mathieu van der Poel.
