RCF Hybrid Online Training, Cape Town

RCF Audio Hybrid Training Cape Town

Presented on line by Jaco Beukes &
Kyle Freemantle with on-site support provided by
trainer Juan Jansen van Vuuren

Explore essential product terminology, protocols, and
software designed to help you get the best
performance from any sound system—especially RCF
systems. The course also features hands-on training,
from rigging to final tuning.

WHEN: 30- 31 JULY | 9AM - 5PM

WHERE: DWR DISTRIBUTION, CAPE TOWN

COST: R500

BOOKINGS ONLINE

Cape Town technicians looking to enhance their audio skills are invited to join RCF Training held at DWR Distribution, Cape Town. The training, presented by Jaco Beukes and Kyle Freemantle, will be streamed live from Johannesburg, with on-site support provided by trainer Juan Jansen van Vuuren. The course runs on 30 and 31 July from 9am to 5pm, with theory covered on the first day and hands-on practical training on the second.

Designed for sound specialists, technicians, and system engineers, the training will cover product terminology, protocols, and software, all aimed at achieving the best performance from any sound system—with a strong focus on RCF systems. Delegates can also look forward to practical implementation, from rigging to tuning.

The course will be hosted at DWR Distribution, Unit 37B Platinum Junction, 4 School Street, Marconi Beam, Cape Town.

The cost is R500 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds cannot be provided for cancellations, participants may transfer their registration to another individual.*
