BOOKINGS ONLINE

Enhance your audio skills with RCF Training, presented by Jaco Beukes and Kyle Freemantle at DWR Distribution, Johannesburg. The course takes place on 30 and 31 July from 9am to 5pm—starting with theory on day one and offering hands-on insight and training on day two.

Designed for sound specialists, technicians, and system engineers, the training will cover product terminology, protocols, and software, all aimed at achieving the best performance from any sound system—with a strong focus on RCF systems. Delegates can also look forward to practical implementation, from rigging to tuning.

The course will be hosted at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

The cost is R500 per person and includes a light lunch and refreshments. *Terms and conditions: While refunds cannot be provided for cancellations, participants may transfer their registration to another individual.*
