

Robe awards DWR

Posted on May 12, 2007

In a short period of 12 months, it has been an honour for DWR Distribution to receive the Best Debuting Distributor Award 2006 announced at the recently held Robe International Distributors Conference.

A year ago, we would not have believed this would happen as we started off working from our garage at home! There have been many highlights on this exciting journey and we have been proud to be associated with some of the world's leading names like Robe, MA Lighting, Avolites and ADB.

We've enjoyed fun times with friends in the industry, as you've visited us at our offices and continued to give us your support whether it was coming in to say hello, buying fixtures or spending valuable weekends at De Wildt or Maraisburg on the bikes. Thank you!

Since the start of DWR Distribution, over three hundred Robe fixtures have been sold in South Africa. Units have already worked hard and received positive response from users. Thank you again for your unbelievable support and friendship.
