Robe Fixture Maintenance Training

Posted on February 9, 2022

A promotional poster for a training course. The background is dark blue with a photograph of three people working on a piece of equipment. The text is white and red. The word 'Training' is in a large, white, cursive font. Below it, 'ROBE FIXTURE MAINTENANCE' is in a bold, red, sans-serif font. A red horizontal line separates the title from the date. The date 'MARCH 3' and time '9AM - 4PM' are in white, sans-serif font. A grey rounded rectangle contains the text 'JOIN TYLER PUGIN' and the location. A list of topics is in red, sans-serif font. The DWR distribution logo is in the bottom right corner of the poster.

A Robe Fixture Maintenance Training course presented by Tyler Pugin, will be held on 3 March from 9 am to 4 pm at DWR Distribution, Johannesburg.

With a focus on Robe lighting fixtures, the course will equip technicians to know how to clean, maintain and carry out troubleshooting. Topics covered during this practical workshop will include:

- Cleaning and maintaining equipment
- Prepping equipment
- Basic troubleshooting
- Software updating
- Testing equipment

Trainees should bring metric tools consisting of electrical and 8mm flat blade screwdrivers, no 1 and no 2 Philips, 2mm – 8mm Allen Keys, longnose pliers, wire cutters and if possible, a multimeter.

The cost is R300 per person. Delegates who complete the course will be refunded. Cancellations should please be made 48 hours in advance to secure your refund. A light lunch will be served.

The course will be held at the DWR offices, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew, JHB.
