

Robe's Dave Whitehouse at Mediatech

Mediatech is around the corner and the hype is growing! The team at DWR Distribution is delighted to welcome Dave Whitehouse to South Africa! We are hoping he has a one-way ticket.

Since leaving South Africa, Dave has joined the Robe team in the UK as Theatre Products Manager. He will be part of the team manning the Robe stand at Mediatech, so do stop by to say hello!

DWR asked Dave a question, knowing his love for history.

Q: Which historical figure would you like to be?

A: Admiral Nelson. His sense of timing leadership and duty has never been matched.
