

RoboSpot Training, Johannesburg

Posted on June 23, 2025

RoboSpot Training

Presented by Jaques Pretorius

Discover how to set-up the Robospot system, pair it with the latest in LED technology from Robe and then control the fixture.

WHEN: 9 JULY 2025 | 9AM - 5PM

WHERE: DWR DISTRIBUTION, JOHANNESBURG

COST: R250

BOOKINGS ONLINE

DWR Distribution takes pleasure in inviting you to a RoboSpot FollowSpot System training session presented by Jaques Pretorius on 9 July from 9 am to 5 pm in Johannesburg.

Jaques will instruct you how to set up the RoboSpot system, pair it with the latest in lighting LED technology from Robe, and then control the fixture seamlessly.

The RoboSpot system allows followspot operators to remotely control up to 12 fixtures simultaneously without the safety concerns and impracticality of placing personnel at the top venues such as stadiums, indoor arenas, concert halls, theatres, TV and film sets.

Stunning visual displays are now possible with as many as 12 perfectly synchronised fixtures following a performer across the stage.

The cost is R250 per person and includes a light lunch and refreshments.

Terms and Conditions:

- *While refunds cannot be provided for cancellations, participants may transfer their registration to another individual.*
- *PLEASE use your name and surname as a reference when booking.*

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
