

A special word of

thanks to Heidi Janse van Rensburg for the stunning concert pics taken by Paul Pearce of [Studio 27](#) .
Roxette performed to seven sold out concerts in Cape Town and Sun City on their recent tour to South Africa, forming part of their 2011 World Tour. Gearhouse South Africa, commissioned by Big Concerts, was the

George Majola and Anthony

ect Manager for the show. "It was relaxed. "To hear what Marie come a long way," said Anthony.

The energy at the concert was tangible but of course was complemented by the reassurance of a great technical team – well done Gearhouse. Roxette travel with their tour manager, production manager, audio crew and an

g used. He

The LD linked the

grandMA2 to his tablet. "He was programming on stage and to me it was a different head space to what I'm used to," said Anthony. "It was nice to see."

The Gearhouse Lighting Crew Head was George Majola. "It was a normal rig, not big and straight forward," said George. "I enjoyed it."

We received extra photos from Muhammad Faithullah Harun – thank you!
