See you soon Louise Stickland!

If there is one person to thank and appreciate for putting South Africa on the entertainment industry world-wide map, it would be Louise Stickland, journalist, photographer, creative writer and PR activist!

Louise will be in South Africa over Mediatech. We asked her, “Who is the funniest person you know?”

She answered, “All the people I am close to make me laugh.”

Louise, thank you for your friendship and we look forward to seeing you soon!
