Sennheiser Hourly Training demo on wired microphones

DWR invites you to join Andreas van Niekerk from Sennheiser and Darren Durbach for a one-hour training and demonstration session focusing on Wired Microphones, particularly the 435 and 445 models. The sessions will be held at DWR Distribution on October 23rd, with available slots at 10:30 AM, 11:30 AM, and 12:30 PM.

Each session is divided into 20-minute intervals, covering:

- A general discussion and introduction to the microphones.
- A PowerPoint presentation on microphone technology.
- Live demonstrations, including how these microphones perform with instruments.

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

While there is no cost for attending, booking is essential to assist with catering. Looking forward to seeing you there!
