DWR invites you to join Andreas van Niekerk from Sennheiser for a training day that focusses on Digital EW-DX, EW-D and D6000 Wireless. The session will be held on 27 March from 9 am to 4 pm at DWR Distribution in Johannesburg.

Delegates will enjoy an in-depth overview of the Digital EW-DX, EW-D and D6000 Wireless technology through a mix of presentations, tests, demos, and hands-on experience. They will also benefit from a refresher on Sennheiser's full range of capsules and microphone elements including the D6000 and IEM G4.

The following topics will be covered:

- A closer look at the complete EW-DX product line-up
- See where EW-DX fits into the Sennheiser professional wireless portfolio
- Learn how EW-DX eliminates intermodulation and simplifies frequency coordination
- Feel EW-DX in your own hands, and discuss your next projects

The cost is R250 per person and includes a light lunch and refreshments. *Please note that refunds are not available for courses. If your course registration is cancelled, at least 72 hours in advance, you'll receive a credit for the paid fees, usable for re-registration or rescheduling within one year from the initial course cancellation date. Not showing up without notice does not qualify for the rescheduling credit.*

The training will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.
