

Sharp/NEC Open Day at DWR

Posted on January 17, 2024

The corporate and live events markets are invited to join DWR Distribution for the Sharp/NEC Open Day - a wonderful opportunity to see the latest projectors and projector interactive displays. Demonstrations will be held from 21 - 23 February, on the hour between 10 am to 4 pm. Delegates are welcome to book a session or pop in at the office at any time convenient to you.

With a leading position in the display market, Sharp/NEC delivers efficiency and productivity with the best return on investment (ROI). Jason Rall from Sharp NEC and DWR's Jason Johnstone can't wait to introduce you to the P547UL and PA1505UL laser projectors and Interactive Displays that offer intuitive touch engagement and offers much appeal to the user experience. The aim is to present solutions that can be incorporated into a range of settings from meeting rooms and the corporate environment to live events.

The Open Day will be held at DWR Distribution, Block C, Unit 1, Kimbult Industrial Park, 9 Zeiss Road, Laserpark, Honeydew.

While entry is free, delegates are requested to book their space if possible.
