

## **Sold on CM Lodestar**

Posted on August 25, 2008

25 August 2008

days by DWR Distribution.

A remarkable forty CM Lodestars were sold within two

DWR's Duncan Riley initially placed an order for the forty units in anticipation of the upcoming Auto Africa show. He expected to sell the well priced motors within a three week period and was pleasantly surprised when, instead, they were all sold in a couple of days. The CM Lodestars are already hard at work, lifting rigs throughout the country.
