Posted on July 29, 2019

Use your legs for a good cause and ride for the SOS at this year's Discovery 947 Ride Joburg to be held on Sunday, 17th November at Riversands Commercial Park in Fourways. Everyone is invited to participate, especially riders in the entertainment industry! Closing date for entries has been extended to 26 September.

Each rider interested in participating is requested to sign up on our website and pledge and raise R2 500. Marlene will assist you, step by step, to create a personalized BackABuddy page, where you can create awareness and receive support from friends and family.

In return, riders will receive a dedicated early start time if required, a SOS cycling team jersey, breakfast snacks at the start of the race, a watering table on route and celebration refreshments after the race. Interested riders will also be welcome to join training rides, split into groups for faster and slower cyclists.

Closing date for entries is September 26th, please RSVP before then to ensure your spot.[gravityform id="85" title="true" description="true"]
