Talent Chikokonyah

Our sincere condolence extends to Talent Chikokonyah on the passing of her baby. Talent has worked at Blackmotion, a rental company in Johannesburg, for the past eleven years.

The SOS, a charity overseen by DWR Distribution and made possible thanks to the generous donations by the South African entertainment and rental industry, are deeply saddened by the loss. "We pray that God will hold your hand during this time Talent. Losing a child is heartbreaking. You are in our thoughts," said Duncan Riley of DWR.

The SOS will be delivering a grocery gift voucher to the value of R3 000 to Talent and send our love.
