DWR Distribution takes great pleasure in inviting you to attend the Robe MegaPointe launch in Sound Africa with Harry von den Stemmen and Ondrej Hegar. Join us in Johannesburg on 2 November or in Cape Town on 6 November at 5:30 pm.

The MegaPointe is Robe's much-anticipated new multi-functional moving light fixture set to define new standards and expectations and taking the original concept of the all-in-one fixture to a whole new level.

Please join us for snacks and drinks as we unveil the MegaPointe. It will be wonderful to see you again!
