SHARP/NEC

PA804UL & PA1004UL laser projectors

Special on Sharp/NEC while stock lasts!

DWR Distribution is excited to offer the Sharp/NEC PA804UL and PA1004UL laser projectors at special prices, while stocks last. Experience NEC's innovative super-silent technology, now perfect for even larger spaces with these powerful projectors.

These units deliver impressive vivid colour and contrast, with brilliant whites and a wide colour space, along with high dynamic contrast supporting the HDR10 standard via HDMI interface. Both projectors offer the advantage of up to 20,000 hours of maintenance-free operation, thanks to the Laser Light Source, eliminating the need for replacements. Their completely sealed optical laser LCD engine enables a filter-free design, ensuring consistent colour brightness and removing the need to factor servicing costs into your budget.

PA804UL features:

- Brightness: 8200 ANSI Lumen
- Aspect Ratio: 16:10
- Resolution: 1920 x 1200
- Light source: Laser Light

NEC PA1004UL features:

- Brightness: 10,000 ANSI Lumen
- Aspect Ratio: 16:10
- Resolution: 1920 x 1200
- Light source: Laser Light
