

Special thanks

We were delighted to announce the birth of Luc Riley on the 26

May 2008, and have been so grateful to everyone for all the kindness you have shown.

There's nothing wrong with getting a bit of shut eye!

We appreciate your support, the phone calls, flowers and gifts and for showing interest in our boy. Luc is such a lovely and content fellow and has really fitted in easily. Even his sister Amy (who has decided to rename herself Katie) is chuffed, not minding in the least that she has a brother instead of the sister she initially wanted!

(Above Left): All the way from the UK, TMB socks and nappies!

(Above Right): Amy is a real little helper and a very proud sister. Every day the familiar words ring, "Mommy, can I hold Luc?"

Thank you again!
