

Successful AV Open Day at DWR

Posted on April 3, 2023

DWR Distribution enjoyed a fantastic AV Open Day on 1 March showcasing their latest product range from professional suppliers including Absen, Green Hippo, and Sharp NEC Display Solutions Europe GmbH.

Orchestrated by DWR's Dylan Jones, the AV Open day allowed clients to view cutting-edge technology, live demonstrations and gain valuable insight with workshops hosted throughout the day.

"It was a great opportunity for attendees to see these products in action and learn more about how they can enhance their events and integration projects," said Dylan Jones from DWR who orchestrated the day. "Thank you to everyone who attended to make it such a success!"
