The product range available from DWR

DWR Distribution is a distributor of world-class equipment to provide integrated solutions from lighting to audio, projection, AV, LED panels and trussing. Whether it's a single product you need or a complete installation, DWR provides technical backup, support, training and a service workshop.

To view the brands offered, with links to each product, please visit: <u>https://dwrdistribution.co.za/what-we-do/products/</u>

DWR also sells distribution boards, safety and rigging equipment, cables and has a metal fabrication department.
